---

For those who have completed a College Course, or such literary studies as may enable them, with advantage, to devote their entire time to preparation for the Ministry, a more thorough course of Theological instruction is arranged. This is the same as that usually pursued in Theological Seminaries, occupying three years, and embracing, *in addition to the Theological studies*, for such as are also receiving literary instruction, *specified above*,

*In Sacred Literature and Exegesis*, Hebrew, and a more critical examination of all the books of the Old and New Testaments.

*In Systematic Theology*, a more extensive course of study, (with the preparation of Essays,) on the principal topics of Natural Religion, doctrines of Revelation, and Constitution, Ordinances and Discipline of the Christian Church.

*In Church History*, a critical examination of the history of the more important Heresies and Errors, the preservation of the true Christian faith and practice.

*In Sacred Rhetoric*, more time and attention will also be bestowed on the preparation of Plans and Criticism of Sermons.

## ROOMS.

---

1. A large and commodious building has recently been erected, containing spacious public rooms, (Chapel, Laboratory, Recitation Rooms, &c.) and a large number of Dormitories.

2. Rooms are assigned to the students by lot, on the first day of the session. Students not present at that time, can take their choice of such rooms as are unoccupied on their arrival.

3. Any student wishing to retain the same room more than one year, will be allowed to do so by making timely application to the proper officer.

4. Each student is held responsible for all disorder in his own room, and all damage done to the room must be made good by the occupants, or the cost of repairs will be charged in their term bills.

5. Damages done to public rooms, and to all unoccupied rooms, is assessed on the body of students, equally, unless it is known by whom the mischief is done, when those concerned in it must pay the expense of repairs.

---

## TERMS AND EXAMINATIONS.

---

1. The collegiate year contains one session of ten months, which is divided into two terms of five months each. The first term begins on the first Monday in October, and the second on the first day of March.

2. There is but one vacation (except a week during Christmas holidays,) which embraces the months of August and September. In consequence of this arrangement, the pupils can be with their friends during the unhealthy season.

3. There are two Examinations a year—one previous to the Christmas recess, the other at the expiration of the session in July—when every student is required to undergo a thorough examination on the studies of the preceding term, and perform such other exercises as the Faculty may assign.

## COMMENCEMENT AND DEGREES.

---

1. The Annual Commencement is held on the fourth Thursday in July.
  2. No student is admitted to a degree, or to any part in the Commencement Exercises, unless he has creditably sustained all his examinations, and performed such other exercises as may have been assigned him; nor until all College dues have been settled, and he has paid the President five dollars as a graduation fee.
  3. Students who have completed the English course, are entitled to receive an English Diploma, on the same conditions.
-

---

1. The following are the rates of Tuition, Board, &c:

Languages and Higher English, per term,.....	\$25 00
Common English Branches,.....	16 00
Incidentals,.....	1 00
Students rooming in College are charged \$1 per month for

Board, per month, from.....	\$8 to 9 00
Washing, do. from.....	1 to 1 50

Fuel and lights, of course, vary with the season, and will at all times depend much upon the economy of the student.

Tuition is required in advance, and no deduction is made for absence, except in cases of protracted illness. The student is charged from the time of entering to the close of the term, unless for special reasons he is admitted for a shorter period. In the Theological Department, tuition and room rent are free.

2. The necessary expenses at this institution are moderate. Exclusive of clothing, they need not exceed \$200 per annum. But if the student is allowed the free use of money, and is disposed to be extravagant, he may spend much more, here as well as elsewhere—though it is believed that Marion presents fewer temptations to extravagance than any other town in Alabama.
